Dear Sir:

Pursuant to the provisions of Title 30, MVP Production Inc. (MVP) requests that a hearing be called, after ten-day legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters in the Paradis Field, St. Charles Parish, Louisiana:

1. To designate the MVP – Sunset Realty & Planting Co. No. 34-D Well (Serial No. 112493) as the substitute unit well at an exceptional location for the PAR 9900 NAG RA SU.
2. To consider such other matters that the Commissioner may deem pertinent.

Office of Conservation Order No. 37-G-6, effective July 1, 1962, Supplement to Office of Conservation Order No. 37-G-6, effective June 1, 1964, and Conservation Order No. 37-G as amended October 7, 1958, created numerous drilling and production units for the 9900' Sand and specified that all wells completed in this sand must be greater than 660' from the boundaries of the unit and not less than 2000' from the nearest completion in the same sand. A plat showing the unit for the PAR 9900 NAG RA SU is attached. The Sunset Realty & Planting No. 74 Well (Serial No. 144625), the unit well, is off production. In order to restore production and effectively and efficiently deplete the reservoir, MVP requests that the MVP – Sunset Realty & Planting Co. No. 34-D Well (Serial No. 112493) be designated as a substitute unit well at an exceptional location for the PAR 9900 NAG RA SU.

MVP will provide for the advertisement of the legal notice in a newspaper of general circulation in the vicinity of the Paradis Field, and also will post the legal notice and unit plat in a prominent place in the area of the field. MVP will also mail a copy of said legal notice and unit plat to the Interested Owners, Represented Parties, and Interested Parties.

Hon. Philip N. Asprodites, Commissioner
